Plainfield, IL 60544

Pursuant to the Atomic Energy Act of 1954, as amended, the Energy Reorganization Act of 1974, as amended, (Public Law 93-438), and subject to the conditions and limitations incorporated herein, the Nuclear Regulatory Commission hereby licenses you to direct the licensed activities of licensed operators at, and to manipulate all controls of the Dresden Nuclear Power Station, Unit Nos. 2 and 3, Facility License Nos. DPR-19 and DPR-25.

Your License No. is SOP-31357. Your Docket No. is 55-6726. The effective date is August 26, 1994. Unless sooner terminated or renewed, this license shall expire 6 years from the effective date.

This license is subject to the provisions of Section 55.53, Title 10 of the Code of Federal Regulations, Chapter 1, Part 55, with the same force and effect as if fully set forth herein.

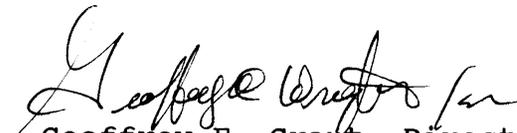

While performing licensed duties, you shall observe the operating procedures and other conditions specified in the facility license which authorizes operation of the facilities, and shall comply with the following condition:

You shall wear corrective lenses while performing the activities for which you are licensed.

The issuance of this license is based upon examination of your qualifications, including the representations and information contained in your application for this license.

A copy of this license has been made available to the facility licensee.
